Effects on the shareholders : The shareholders may be affected by the exercise of the rights to purchase the newly issued ordinary shares under the Warrants as follows:

1. Control Dilution

If the rights to purchase the ordinary shares under the Warrants are fully exercised by Holders of the Warrants who are not the existing shareholders, there will be control dilution which can be calculated as follows:

$$\begin{aligned}\text{Control Dilution} &= \text{Number of ordinary shares allocated to} \\ &\quad \text{accommodate the Warrants} / (\text{Number of total} \\ &\quad \text{paid-up shares} + \text{Number of ordinary shares} \\ &\quad \text{allocated to accommodate the Warrants}) \\ &= \frac{13,235,463}{240,644,794 + 13,235,463} \\ &= 5.21 \text{ percent}\end{aligned}$$

2. Price Dilution

If the rights to purchase the ordinary shares under the Warrants are fully exercised, there will be price dilution which can be calculated as follows:

$$\begin{aligned}\text{Price Dilution} &= (\text{Pre-offering market price} - \text{Post-offering} \\ &\quad \text{market price}) / \text{Pre-offering market price} \\ &= \frac{(58.87 - 59.71)}{58.87} \\ &= -1.43 \text{ percent}\end{aligned}$$

Whereas:

Pre-offering market price = The volume weighted average price of the Company's ordinary shares traded for 15 consecutive business days prior to the date of the Board of Directors' Meeting No. 2/2023 held on 15 March 2023 (between 21 February 2023 and 14 March 2023), which is equivalent to THB 58.87.

Post-offering market price =
$$\frac{(\text{Pre-offering market price} \times \text{Number of total paid-up shares}) + (\text{Offering price of newly issued ordinary shares offered} \times \text{Number of newly issued ordinary shares offered}) + (\text{Exercise price of the Warrants} \times \text{Number of ordinary shares allocated to accommodate the Warrants})}{(\text{Number of total paid-up shares} + \text{Number of newly issued ordinary shares offered} + \text{Number of ordinary shares allocated to accommodate the Warrants})}$$
$$= \frac{(58.87 \times 240,644,794) + (75.00 \times 13,235,463)}{(240,644,794 + 13,235,463)}$$
$$= \text{THB } 59.71$$

3. Earnings Per Share Dilution or EPS Dilution

If the rights to purchase the ordinary shares under the Warrants W1 are fully exercised, there will be earnings per share dilution which can be calculated as follows:

EPS Dilution =
$$\frac{(\text{Pre-offering EPS} - \text{Post-offering EPS})}{\text{Preoffering EPS}}$$
$$= \frac{(0.58 - 0.55)}{(0.55)}$$
$$= 5.45 \text{ percent}$$

Whereas:

Pre-offering EPS = Net Profit / Number of total paid-up shares

= 138,623,458

240,644,794

= 0.58 Baht per share

Post-offering EPS = Net Profit / (Number of total paid-up shares
+ Number of ordinary shares allocated to
accommodate the Warrants)

= 138,623,458

(240,644,794 + 13,235,463)

= 0.55 Baht per share

2.2 Warrants, Warrants Register Book and Holders of the Rights Attached to the Warrants

2.2.1 The Registrar of the Warrants has a duty to issue the Warrants or the Warrant Substitutes in the form as specified by it to all Holders of the Warrants. 2.2.2 The Registrar of the Warrants has a duty to prepare and maintain the Warrants Register Book until the rights to purchase ordinary shares of the Company under the Warrants are fully exercised or until the term of the Warrants is expired (as the case may be) pursuant to the Registrar of the Warrants appointment agreement.

2.2.5 If the Warrants are deposited with the Securities Depository, at the time the Securities Depository informs the Registrar of the Warrants, the Registrar of the Warrants has a duty to issue the Warrants to the holders of the Rights Attached to the Warrants who have deposited the Warrants with the Securities Depository and to record such holders of the Rights Attached to the Warrants as the Holders of the Warrants in the Warrants Register Book according to the number as notified by the Securities Depository. In this regard, after the Warrants are issued and records are made in the Warrants Register Book, the Registrar of the Warrants shall amend the total number of the Warrants recorded in the Warrants Register Book under the name of the Securities Depository by deducting the total number of the Warrants recorded under the name of the holders of the Rights Attached to the Warrants. As for the total number of the Warrants issued to the Securities Depository, if the Registrar of the Warrants fails (in any way whatsoever) to amend the total number of the Warrants, it shall be deemed that the total number of the Warrants shall be reduced by the number of the Warrants issued and recorded under the name of such holders of the Rights Attached to the Warrants.

2.3.6.10 After the end of the last Notification Period, but the Holders of the Warrants have not complied with all conditions on the notification of intention to exercise the rights to purchase the ordinary shares under Clause 2.3.6.4, it shall be deemed that such Warrants shall be deemed to be expired without having been exercised and the Holders of the Warrants shall no longer be able to exercise the rights under the Warrants.

The Company shall not be held responsible for any loss or damage resulting from the delivery of such cheque by mail.

2.3.6.14 In the event that the number of the Underlying Shares is not sufficient, the Company shall pay damages to the Holders of the Warrants who are unable to exercise the rights under the Warrants pursuant to Clause 8. Nonetheless, the Company shall not pay the Holders of the Warrants who are unable to exercise the rights even if there are sufficient Underlying Shares in case the exercise of the rights by a foreign Holder of the Warrants results in the violation of the Company's foreign shareholding limit as specified in the Company's Articles of Association or the provisions on foreign shareholding limit under the relevant laws pursuant to Clause 2.3.6.15.

2.3.6.15 The exercise of the rights by foreign Holders of the Warrants shall be subject to the following conditions:

- (a) The foreign Holders of the Warrants can exercise the rights under the Warrants to purchase the ordinary shares of the Company, either in whole or in part, on condition that the exercise of such rights shall not result in the violation of the Company's foreign shareholding limit as specified in the Company's Articles of Association or the provisions on foreign shareholding limit under the relevant laws and the foreign Holders of the Warrants acknowledge and agree that they have no right to claim for any damages or compensation from the Company as a result of such condition on the exercise of such rights.

As at the issuance date of the Warrants, the Company's foreign shareholding limit as specified in the Company's Articles of Association was up to 49 percent of the total issued shares of the Company.

- (b) However, if the shareholding of the foreign shareholders in item (a) results in the foreign Holders of the Warrants who have exercised their rights in accordance with the exercise procedures under Clause 2.3.6 being unable to exercise their rights in full as indicated in the notification form to exercise the rights to purchase the ordinary shares, the Company shall allow the Holders of the Warrants to exercise the Warrants so long as the foreign shareholding limit is not violated on the first come, first served basis. The Company shall transfer funds or send a crossed cheque (as the case may be) and return the remaining Warrants or Warrants Substitutes in case the Company deems that the Warrants are partially exercised (as the case may be) to the respective Holders of the Warrants by registered mail with return receipt within 14 Business Days from the exercise date without any interest and/or damages in any case.

2.3.6.16 In issuing and delivering newly issued ordinary shares, the names of the holders of the newly issued ordinary shares shall be the same as those indicated in the notification form to exercise the rights to purchase the ordinary shares. The Company shall deliver the share certificates to the Holders of the Warrants at the address specified in the notification form to exercise the rights to purchase the ordinary shares by registered mail with return receipt within 15 Business Days from the exercise date. However, the Company may agree in advance with the Holders of the Warrants to allow the Company to keep those ordinary share certificates, Warrants, Warrant Substitutes, and any other documents at the Company so that the Holders of the Warrants or their representatives may collect the same in accordance with the Company's procedures. The Company may also issue the ordinary shares by issuing share certificates (script) and/or using the scripless system. In case the Company issues ordinary shares using the scripless system, the Company shall proceed once the Company has been informed by the Holders of the Warrants that the Securities Depository has accepted to act as their registrar of securities. In this regard, the Company shall arrange for the ordinary share certificates and/or Warrants (in case of a partial exercise to purchase the ordinary shares) to be deposited with the Securities Depository through the securities accounts of the Holders of the Warrants within seven days from the exercise date where the Holders of the Warrants must provide the name and securities account number of the relevant member of the Securities Depository in the notification form to exercise the rights to purchase the ordinary shares.

on the exercise procedures as described in Clause 2.3.6, the Company shall then be allowed to adjust the exercise procedures in accordance with such announcements, rules, or procedures, and must inform the Holders of the Warrants, Registrar of the Warrants, Securities Depository, and SEC Office of the same without delay.

If the Holder of the Warrants wishes to sell the shares, the Holder of the Warrants must withdraw the shares from the 600 Account by contacting his or her securities company, where transaction fees may be charged at the rates specified by the Securities Depository and/or the securities company. In this case, the Holder of the Warrants can sell the ordinary shares issued upon the exercise of the Warrants on the SET as soon as the SET grants approval for the ordinary shares issued upon the exercise of the Warrants to be traded on the SET and the Holder of the Warrants has withdrawn the ordinary shares issued upon the exercise of the Warrants from the 600 Account.

8. Indemnification in the Event of the Company's Inability to Provide Ordinary Shares to Accommodate the Warrants

The Company shall indemnify the Holders of the Warrants in the event of its inability to provide ordinary shares to accommodate the Warrants as follows:

- 8.1. The Company shall indemnify only the Holders of the Warrants who have notified their intentions to exercise the rights under the Warrants to purchase the ordinary shares on the exercise date in the event that the Company is unable to provide ordinary shares to accommodate the Warrants, except

for the restrictions on the transfer of the Warrants and the new ordinary shares issued upon the exercise of the Warrants under Clause 6.

The Company shall arrange for the Warrants Register Book to be closed to suspend the transfer of the Warrants within 30 days from the exercise date on which the Company is unable to provide ordinary shares to accommodate the Warrants sufficiently for the purposes of verification of the names of the Holders of the Warrants, and such closure of the Warrants Register Book will not have any impact on the transfer or price of the Warrants.

In order to indemnify the Holders of the Warrants under Clause 8.1, the Company shall transfer funds or send a crossed cheque (as the case may be) to the respective Holders of the Warrants at the address specified in the Warrants Register Book by registered mail with return receipt within 30 Business Days from the above Warrants Register Book closure date and the Holders of the Warrant shall be deemed to have duly received such payment and shall no longer have the rights to claim any interest and/or damages in respect thereof.

- 8.2 The indemnification amount to be paid to the Holders of the Warrants by the Company under Clause 8.1 shall be calculated based on the following formula:

Indemnification amount per one unit of the Warrants = $A \times [MP - EP]$, whereas:

A is the number of the ordinary shares that the Company cannot provide and/or increase in accordance with the adjustment of the exercise ratio per one unit of the Warrants;

MP is the weighted average price of the Company's ordinary shares on each exercise date that the Holders of the Warrants notify their intentions to exercise the Warrants, which can be calculated from the value of all of the Company's ordinary shares traded divided by the number of the Company's ordinary shares traded on the SET.

EP is the exercise price of the Warrants or the adjusted exercise price according to the conditions on the adjustment of rights, in case there is a change in the exercise price.

- 8.2 The indemnification amount paid under this Clause 8 shall be deemed final.

The Company shall not indemnify or undertake any actions with respect to the foreign Holders of the Warrants in accordance with the conditions under Clauses 2.3.6.14 and 2.3.6.15 and the foreign Holders of the Warrants shall not have the right to claim any damages or compensation whatsoever against the Company in such event.

However, in case the Company is unable to procure a secondary market for the Warrants, the Company will act as an intermediary so that the Holders of the Warrants may offer their Warrant to the investors at the bidding and offering prices that are satisfactory to both parties.

10. Procedures in the Event of Remaining Ordinary Shares upon the Exercise of the Warrants

In case there are remaining ordinary shares upon the exercise of the Warrants, the Board of Directors shall propose the reduction in the capital in respect of remaining ordinary shares upon the exercise of the Warrants for further consideration and approval by the shareholders' meeting pursuant to the rules, conditions, and procedures prescribed in the Public Limited Companies Act B.E. 2535 (as amended) and the notifications of the SET and the SEC Office.
